To Whom It May Concern,

It is with great pleasure that I am writing this letter in support Brandan Stefurak. I have had the pleasure of knowing him for the past few years.

Brandan is a student in my class-shop at Vinal Technical High School. The Information Systems Technology shop at Vinal Tech is a challenging shop. The students learn Networking, Computer Programming, Hardware troubleshooting along with Adobe and Microsoft Software applications, and theory. He has earned many industry recognized certifications. He has earned many Adobe and Microsoft Certifications:

In addition to learning these programs, they apply what they learned by doing projects for the school and the community. Brandan is a hard working student. He always finishes his work by being a conscientious and a steady worker. Brandan has the ability to push the work he does to the next level and make it better than what is expected. He is a conscientious student and a hard worker.

He will be successful in the endeavors that he chooses. His hard work and perseverance will be his best asset. If you have, any questions please feel free to contact me.

Sincerely,
